Charlottesville, Virginia

November 8, 1982

To: NRAO Inter-site Data Communications Users

From: Gene Runion *G. R.*

COG Memo No. 29

Subject: Reporting Trouble

If a user experiences trouble with the Socorro - VLA - Charlottesville - Green Bank data communications network, he or she should report the trouble to one of the following people:

Gene Runion - CV Ext. 327, home 804-589-3679

Chuck Broadwell - VLA Ext. 314, home 505-835-1608

Arthur Shalloway - CV Ext. 332, home 804-296-9965

The data communications network can be tested from Charlottesville, the VLA, or Socorro, which means that any of the above people can isolate the problem.
