

Interoffice

National Radio Astronomy Observatory

Charlottesville, Virginia

January 27, 1983

To: COG Members

From: R. Burns

Subject: Meeting on February 4, 1983

There will be a Communications Group (COG) meeting on Friday, 4 February 1983, 1530 EST. The number to call is (203) 797-9075.

We will discuss the development of a 5-year communications plan, the development of which will parallel a similar Observatory computer plan. Also, Art Shalloway will discuss the switch he is designing and ask for your input on certain aspects of its design.
