MEMORANDUM

To: Addressee  
From: K. Kellermann  
Subject: NLSRT Memos

Attached is a list of all memos and notes which have been written in connection with the Green Bank Telescope Project and which are known to me. Many of these have been distributed in unnumbered form. If you need copies of anything they are available from Carolyn Bickley. Please send Carolyn copies of anything you want distributed.

Until a permanent name is selected, I will continue to use NLSRT.
