MEMORANDUM

TO: M. Balister
FROM: J. M. Payne
SUBJECT: Receiver costs for 12-m

I'm concerned about all the extra projects we are charging to the 12-m receivers. Here is a list of these projects together with my very rough estimates of the costs.

New Subreflector	5K
Selection Mirror - I don't know. D. Stone or B. Peery	
Calibration System	3K
Lateral Adjustment of Subreflector	5K
Receiver Mounting - "Won't cost much" - Lee King	
Adjustable + Fixed Mirrors	2K
Beam Switcher	3K
Corner Cube	2K
