

**NATIONAL RADIO ASTRONOMY OBSERVATORY
Charlottesville, Virginia**

24 January 1984

TO: Coordination Committee

FROM: H. Hvatum

SUBJECT: Review meeting

Here is a list of things that I think will be going on next week:

-The Haystack people will arrive Sunday night and we plan to have a meeting Monday morning 0930 EST to discuss their proposal for the data acquisition system.

Mike Balister, Larry D'Addario, Ray Escoffier, Bill Porter, Ken Kellermann, Rich Lacasse, Alan Rogers, Roger Cappallo, Sandy Weinreb, Hein Hvatum plan to attend. We will have this meeting in Cathy's conference room.

-People from the western regions of NRAO's empire will probably arrive Monday night.

-The BIG meeting will take place in the NRAO Auditorium, Edgemont road on Tuesday, 31 January, 0900 EST and continue on Wednesday, 1 February, 0900 EST.

Everybody will attend.

-Thursday morning, 0930 EST, there will be a meeting (probably in Cathy's conference room) to discuss the Caltech proposal for the VLBA Correlator.

Mike Balister, Larry D'Addario, Ray Escoffier, Bill Porter, Ken Kellermann, Marty Ewing, Tony Readhead, Barry Clark, Peter Napier, Sandy Weinreb, Hein Hvatum will attend.

-Thursday afternoon, 1330 EST, there will be a meeting (probably in Cathy's conference room) to discuss the RFP for the VLBA antennas.

Bill Horne, John Findlay, Ted Riffe, Bill Porter, Jay Marymor, Peter Napier, Hein Hvatum should attend.
