

**NATIONAL RADIO ASTRONOMY OBSERVATORY  
Charlottesville, Virginia**

May 15, 1984

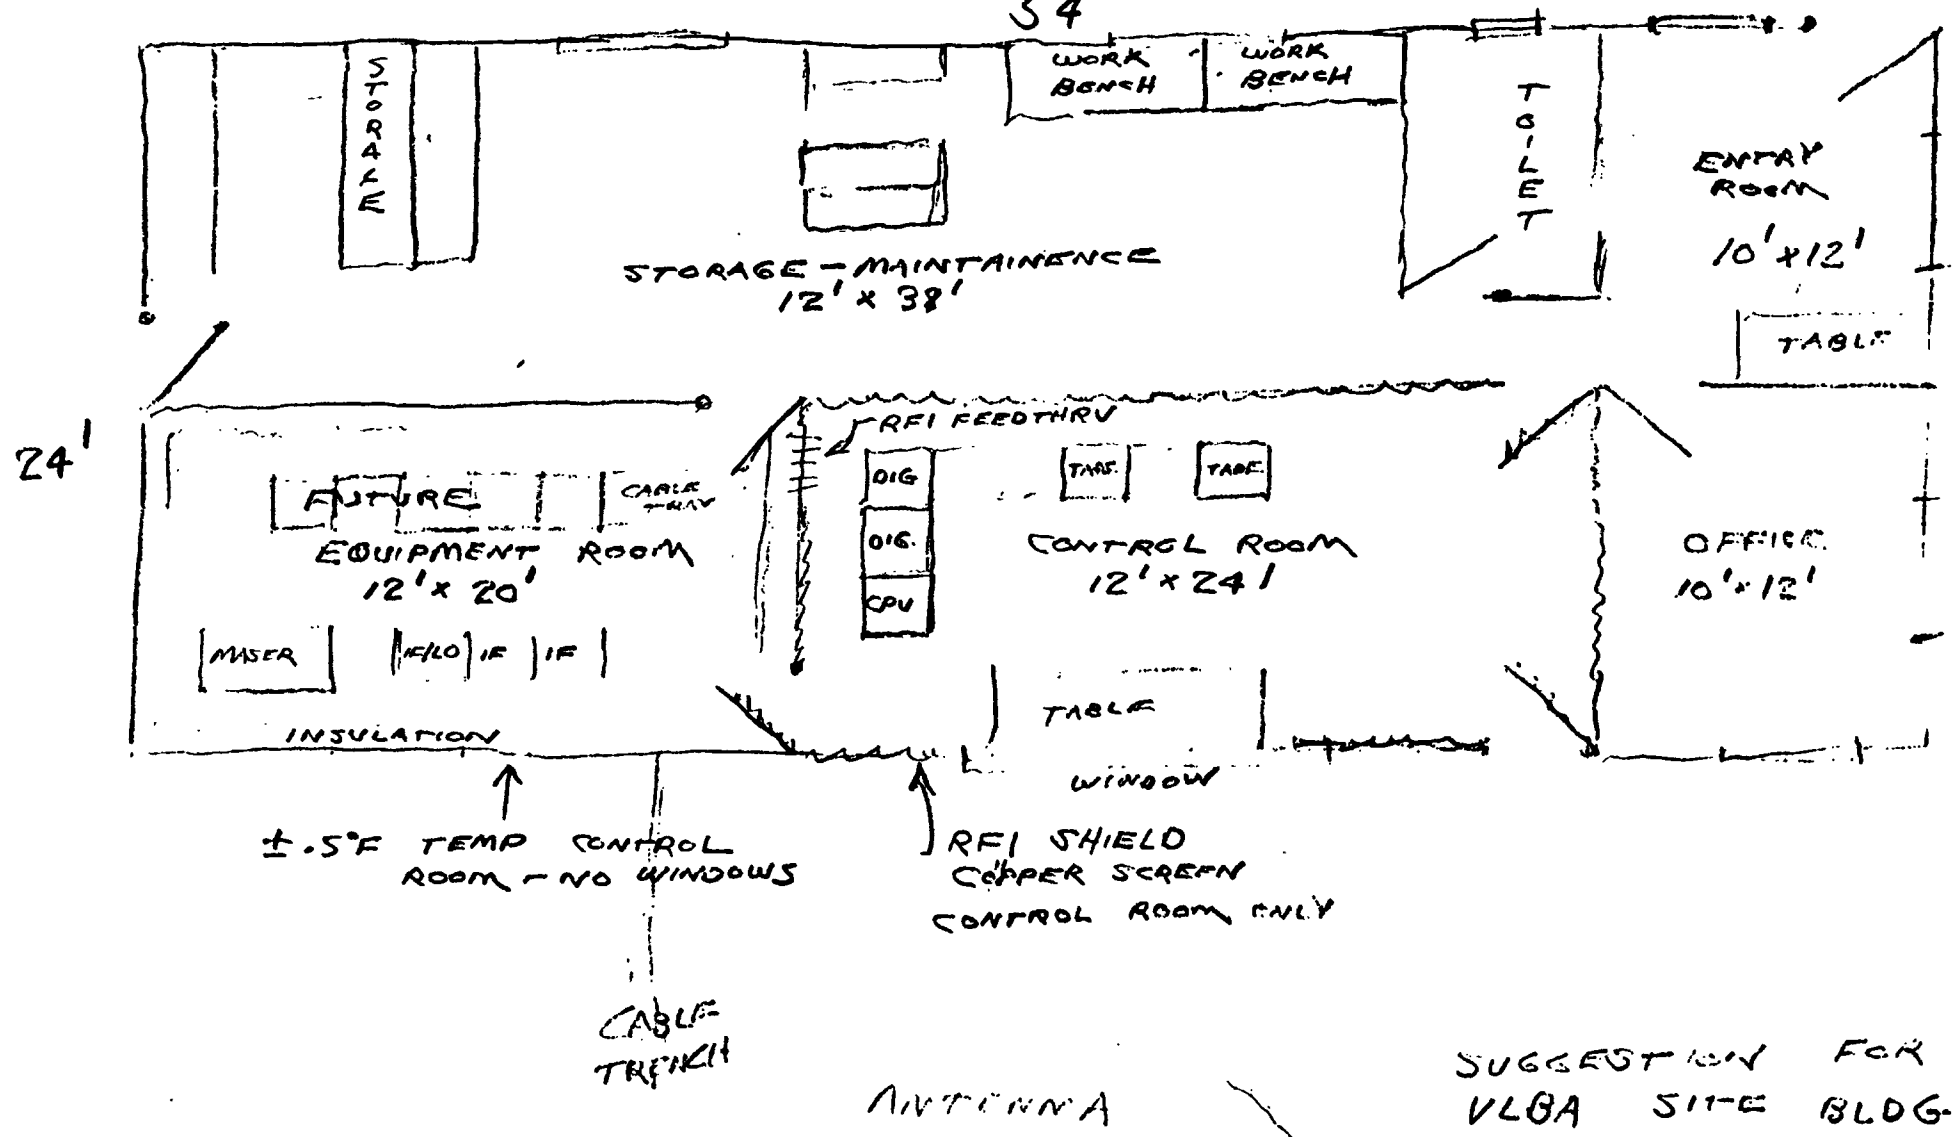

**TO: Coordinating Committee**  
**FROM: Buck Peery - Site Group**  
**SUBJECT: Space Requirements - Control Buildings**  
**REF: CC Memo 17**

I have received only one suggestion as to the requirements for the site control building. A copy of the sketch is attached.

If nothing further is received by June 15, 1984, I will use this sketch and UMA3:[VLBABOOK]SITES.TXT to instruct the A/E as to the requirements for the antenna site control building.
