TO: VLBA Project Members

FROM: Bill Porter, VLBA Business Manager

RE: VLBA Project Numbers

This memo is effective July 16, 1984 and supersedes all previous memos on the topic of VLBA account and project numbers.

The VLBA is assigned the following account numbers:

12400	Capital Equipment
13400	Construction

The following is the current list of authorized VLBA Project Numbers that may be used. Anyone requesting or authorizing expenditures or creating documentation (drawings or specifications) for the VLBA should use only these project numbers. No other numbers are currently authorized. Please be careful to use the correct number.

These project numbers are assigned by the Business Manager. Group leaders are encouraged to break down their work into projects that allow accurate cost tracking and documentation identification. If you have any questions concerning any of these project numbers or wish to have a new number assigned, please call Bill Porter (CV-288) or Susie Griffin (CV-291).
